Disclaimer

This document has been prepared by hEDGEpoint Global Markets LLC and its affiliates ("HPGM") solely for informational and instructional purposes. This document does not constitute any form of offer, or solicitation of an offer, sale or purchase in relation to any securities or investment products. Furthermore, this document does not create or is intended to create any commitment or obligation for HPGM to enter into any financial transaction with third parties. The document was prepared on the basis of the Fontes indicated, and does not constitute advice of any kind, including but not limited to investment, tax, legal or accounting advice. HPGM takes all necessary steps to ensure that the information used in this document is sufficient and from reliable Fontes, including third party Fontes. However, HPGM does not perform audit services and cannot, in all cases, independently verify or confirm the information received. The information published in this document may change, and there is no guarantee as to the accuracy of the content, adequacy or completeness of the information contained herein. Certain economic and market information shown was obtained or provided by third parties or published Fontes and may not have been updated to date. The information contained in this document is the exclusive property of HPGM, reproduction or redistribution in any electronic format or otherwise, without the express approval of HPGM, is prohibited.

HPGM and any person or company associated with HPGM will not be held liable for damages of any nature that result in direct or indirect loss or damage caused by third-party analysis of this document, and they are solely responsible for their actions. HPGM associates expressly disclaim any liability for damages arising from this document, including but not limited to: (i) reliance on any information contained in this document; (ii) any error, omission or impression in such information; and/or (iii) any action resulting from such information.
